

FOR IMMEDIATE RELEASE**July 15, 2011****McLane Advanced Technologies taps retired General to lead business efforts**

Temple, TX – McLane Advanced Technologies (MAT), a global provider of IT maintenance and logistics solutions, announced today that Major General (R) James Chambers will join the company as Executive Vice-President of Business Development. In this role, Major General (R) Chambers will focus on expanding MAT's solutions and services throughout the Department of Defense.

"Major General James Chambers brings a wealth of knowledge and energy around our business development efforts," said Drayton McLane, Chairman and Founder of MAT. "With his extensive knowledge of military logistics and maintenance, I know we have the right leader to grow our presence."

Major General (R) James Chambers concluded his distinguished career of over 33 years of service as the Director of Logistics, J-4 U.S. Central Command, MacDill Air Force Base, Florida. Previously, Major General (R) Chambers served as the Commanding General, Sustainment Center of Excellence and Fort Lee, Fort Lee, Virginia, Commanding General/Commandant for United States Army Transportation Center and School at Fort Eustis, Virginia, and the Director of Center for Logistics Readiness for the Office of the Deputy Chief of Staff G-4 in Washington, DC.

With over 33 years of distinguished service in the U.S. Army, his decorations include the Distinguished Service Medal, Legion of Merit (with 3 Oak Leaf Clusters), Defenses Meritorious Service Medal, Meritorious Service Medal (with 6 Oak Leaf Clusters, Joint Service Commendation Medal, and the Army Commendation Medal.
