Robert Reeves Accepts Position as President

Temple, TX – Robert L. (Bob) Reeves, of Copperas Cove has been promoted to the position of President at McLane Advanced Technologies, LLC (MAT) in Temple, Texas. Bob has been working for MAT as the Chief Operating Officer since January 2004. He now leads a staff of professionals providing a full range of Logistical and Information Technology (IT) services. His team brings a century of experience in addition to the most current technology to create innovative solutions for government and commercial needs.

Bob is a Texan originally from Houston. He graduated from Texas A&M University, and consequently received a commission in 1977 as an Armor Officer. Bob's awards include the Legion of Merit, Bronze Star; Meritorious Service Medal with 3 Oak Leaf Clusters; the Occupation Medal; The Armor Association's Order of St. George bronze medal; and, The Quartermasters Association's Order of St. Martin.

After retiring from the Army, Bob entered the private business sector with several positions that capitalized on his strong military experience. His background and solid leadership abilities made him the perfect candidate for McLane Advanced Technologies. Bob was part of the original staff of three, and has been integral in growing the business as well as the staff to over 100 employees.

Bob's wife, Susan and their two sons, John & Robert currently make their home in Copperas Cove. John is a freshman at Baylor University and Robert is a sophomore at Copperas Cove High School. In his spare time, Bob is a member of the Copperas Cove City Council, President of the Killeen Heights Rotary Club, and is active, along with his sons, in scouting.

About McLane Advanced Technologies

McLane Advanced Technologies, LLC provides both government and commercial information technology and logistics services. With approximately 76 employees in Texas, Alabama, and Virginia, MAT serves U.S. military, government and commercial customers.
