## **MAT Wins Army Training Contract in Germany**

**McLane Advanced Technologies recently was awarded a training contract with the Combined Arms Training Center (CATC) in Germany**

**Temple, TX** – McLane Advanced Technologies was awarded an Army contract as a prime contractor to support the CATC in Vilseck, Germany by providing experienced, knowledgeable instructors to conduct multiple week training sessions on requested Army logistics systems. The contract is effective July 19, 2007 with period of performance starting in October 2008.

MAT will support the CATC for the following courses:

Standard Army Maintenance System 1 (SAMS 1)  
Standard Army Maintenance System 2 (SAMS 2)  
Standard Army Retail Supply System 1 (SARSS 1)  
Unit Level Logistics System Aviation Production Control/Quality Control/Technical Supply (ULLS-1/PC/QC/TS)  
Unit Level Logistic System Aviation Unit Administrator/System Support (ULLS-A/UA/SS)

MAT is a services-based, technology company offering a unique blend of military experience, corporate knowledge, and unprecedented commitment to the customer to ensure that each project is completed on time and on budget.
