## **MAT Welcomes a New CEO, Mr. Chuck Costanza**

**McLane Advanced Technologies recently welcomed Chuck Costanza as the new Chief Executive Officer.**

**Temple, TX** – In July 2007, McLane Advanced Technologies welcomed Chuck Costanza to the leadership team in Temple, Texas. Chuck Costanza has over 40 years experience with a background that is a combination of military service and work in both the public and private sectors.

Chuck was a commissioned Infantry Officer in the U.S. Army. He then served in the Federal Government in a variety of positions and organizations. What brought Chuck to Texas the first time was his logistics experience with Southland Corporation and McLane Company from 1980-2002.

For the past 5 years, he has worked for Exel as the President for the Technology Sector – Americas. This included responsibility for a total of 36 site operations in the U.S., Mexico and Brazil for technology based customers and approximately 3,000 associates. In this role, he was responsible for operational performance, customer relationships, new business growth and delivering the budget for the Sector.

For more information on Chuck, please visit our leadership section on our website at:
